# STYLE GUIDE :: Allegiant Theme

Welcome Layout

Generally used for the Home page or Welcome page to your organization's website, the Welcome Layout features a large, inviting image area and space for a welcome message. This layout would also be a good choice in other areas of your site to promote special events.
Layout Measurement Widths (in pixels)

		Welcome	Section	Event	Media
Masthead		960	960	960	960
Wide Column		940	650	938	920
Narrow Column		n/a	250	190	n/a
Footer		960	960	960	960

Section Layout

This layout is best used as your default design or for text heavy pages.
