

STYLE GUIDE :: Magnolia

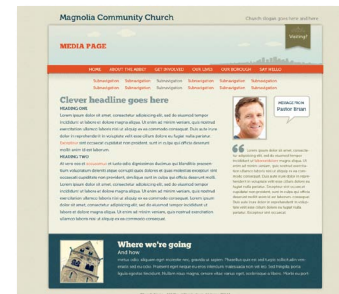

Welcome Layout

Generally used for the Home page or Welcome page to your organization's website, the Welcome Layout features a large, inviting image area and space for a welcome message. This layout would also be a good choice in other areas of your site to promote special events.

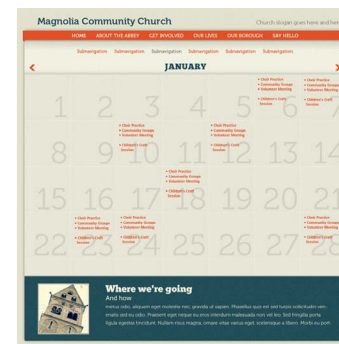

Layout Measurement Widths (in pixels)

		Welcome	Section	Event	Media
Masthead		940	940	940	940
Wide Column		940	550	550	790
Narrow Column		n/a	270	270	n/a
Footer		870	870	870	870

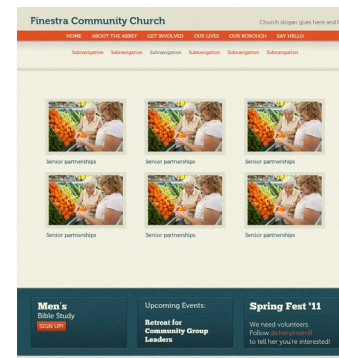

Section Layout

This layout is best used as your default design or for text heavy pages.
